

GARDENA Wall-Mounted Hose Boxes

GARDENA Wall-Mounted Hose Boxes make watering especially easy and convenient

GARDENA offers the highest comfort in use, operating reliability and innovative product solutions with leading technology on the market.

Wall-Mounted Hose Box 35 roll-up Automatic Li

Innovative; first motor-operated Wall-Mounted Hose Box for a powerful roll-up.

With high-performance, reliable lithium-ion rechargeable battery and LED display of the battery charging status.

Automatic hose winding at the press of a button – no bending over, no cranking, no dirty hands.

Even greater convenience: pull out hose to desired length – effortlessly and without applying force; a stop at any length is possible.

Hose is securely and evenly rolled up.
